## Social Climate

### Parent, Student and Teacher Satisfaction with the School <sup>\*5</sup>

Where schools already undertake annual surveys of parents, students and teachers for the purpose of marketing and school improvement, include relevant summaries of findings here, in plain English.

If a school does not currently undertake any such surveys, consideration might be given to such a project; or alternatively, the school should consider any other data or information that it may have which could be the basis of a report on parent, student and teacher satisfaction. For example, letters and testimonials from parents; enrolment retention rates over time; increasing enrolments over time; teacher retention rates over time.
